

Tell your success story in Happy Valley Industry *Catalyst*

What makes Happy Valley so perfect for entrepreneurs and thriving tech companies?

Renowned for livability, natural beauty, big-time athletics events, and neighborhood charm, Happy Valley has another distinction: a unique ecosystem for business and industry. It's not Silicon Valley, and that's a good thing. Minus the downsides of big city living, but with all the same benefits, Happy Valley is a place where innovation and livability coexist, where "hungry dogs run faster."

Fueling success around the world, from NASA to COVID vaccines, T-cell cancer treatments to sensors in Ford factories ... **Happy Valley companies are changing the world and creating space for the talent that will drive tomorrow's breakthroughs.**

HappyValley Industry amplifies those headlines, partnering with companies to tell the stories of industry and innovation on our online platform, communications and social media.... and now in our premiere print magazine, **Happy Valley Industry Catalyst.**
