Employers -

- Find qualified candidates for internships, co-ops, research, or full-time positions.
- Learn about a variety of different schools in the region.
- Investigate training and other resources for your business that may be covered through WEDNet or other funds.
- Create lasting professional relationships with talent/career services as well as instructors to find new pools of talent.

Sign up today for the following series of interactive, real-time Zoom meetings with Career Services professionals:

➤ **Susquehanna University: April 14, 2022**

Allie Grill-Director, Career Development Center

Tess Marsh-Employer Relations Coordinator, Career Development Center

➤ **Central Pennsylvania Institute of Science and Technology: April 19, 2022**

Todd Taylor, Vice President, Post-Secondary Education

➤ **Pennsylvania College of Technology: April 26, 2022**

Shelley Moore, Senior Director of the Center for Career Design

➤ **South Hills School of Business and Technology: May 3, 2022**

Denny Ligenfelter, Director of Career Services and Recruitment

Jeff Stachowski, Outreach Director

Representatives from these schools will review:

1. The types of educational programs offered, where you can connect with graduates.
2. Tips on connecting with the instructors to build a talent pipeline from the programs to your business.
3. Some training programs/services – many of which are offered at reduced or no-cost - that are offered for your employees/business.
