WORK EXPERIENCE

Black Bear Nursery — Plant Engineering Supervisor

01/2002 to 05/2014, Winburne, Pa

I maintained a large nursery facility and planted, watered, relocated, and grew plants for nurseries and landscape projects. I also supervised and trained multiple employees through the years. I did shipping and billing for the company as with answering phones and delivering orders. I also ordered supplies and put orders together as with helping customers pick out what was best for the

ir needs.

Walmart Distribution Center — Recieving Loader

05/2014 to 04/Present, Woodland, Pa

I oversee and load freight into loaded trucks to be distributed to many different locations. I make sure all items are loaded safely and securely so they are maintained in the same spot until they arrive at their designated location.
